

Dear Students and Families,

The following schedule has been created for students to turn in their Chromebooks for the end of the school year. During the allotted time, students will return their Chromebooks and any textbooks in their possession and will be able to collect any belongings which were left in their lockers.

When returning devices, all vehicles will enter the school grounds from the District Service Center located at 4400 Marketing Place (see attached map). All people will remain in their vehicles and will pass items to be returned to a staff member. Any belongings being returned to students will be bagged and returned at this time. Failure to return your Chromebook will result in a fee being assessed to the student account. **DON'T FORGET YOUR CHARGERS!**

Seniors: May 26th		Band Instrument Dropoff
A-D	1:00pm - 2:30 pm	1-4:30 each day
